ASSEMBLY INSTRUCTIONS  
PLEASE RETAIN THESE INSTRUCTIONS FOR FUTURE USE

Important - Please read these instructions fully before starting assembly.

### Safety and Care Advice

- Remove all fittings from the plastic bags and separate into their groups, checking all components are present.
- Keep children and small animals away from the work area; small parts could choke if swallowed.
- We do not recommend the use of power tools for inserting screws, as this could damage the unit. Only use hand screwdrivers.
- Assemble the item as close to its final position (in the same room) as possible.
- Dispose of all packaging carefully and responsibly.
- Wipe spills up immediately with a clean damp cloth. We recommend that furniture be cleaned with a damp cloth and warm soapy water. Avoid using cleaners or polishes that contain abrasives, solvents, acid or ammonia.
- Colour reproduction is as accurate as possible within the limitations of the printing process. Also note, colours will vary under artificial light.
- Bathroom furniture is designed for domestic use in well ventilated areas fitted with a suitable extractor fan.

### Tools Required

- Phillips screwdriver
